

# HOST A CORPORATE SPORTS DAY

The Historic Walker Ground in Southgate is set in fourteen acres of scenic grounds and is the perfect location for a fun and active corporate day out.

“ We had the pleasure of experiencing Pink’s culinary flair for the first time at a corporate event held at The Walker Ground. From dealing with our initial enquiry to the team taking care of us on the day, we were impressed with Pink’s friendly and flexible service.”

GERALD EDELMAN, CHARTERED ACCOUNTANTS

The Clubs large pavilion holds 120 guests and overlooks well groomed pitches and is an idyllic setting for both sporting and corporate activities.

We can arrange a simple cricket match watched by your invited guests.

Alternatively enjoy a full ‘fun’ sports day incorporating everything from fun runs, rounders and Gladiator style inflatable courses.

Pink Food Ltd our fantastic in-house caterers ([www.pinkfood.co.uk](http://www.pinkfood.co.uk)) will also make this a gourmet event. They can create a bespoke menu for you, to include anything from coffee, pastries and a light breakfast. Lunch could be a sumptuous *al fresco* summer buffet or picnic. In the afternoon you could stop for one of Pinks famous afternoon teas. After a busy sporting day we could offer you a gourmet BBQ with Pimms overlooking the fabulous views.
